Mon, Mar 27 At Sea

Grand Princess is the perfect escort for exploring the world while enjoying a relaxed, unhurried ambience onboard. Unwind poolside and watch a hit film with Movies Under the Stars®, indulge in a soothing massage from an outdoor cabana at The Sanctuary, or savor a premium steak cooked to order in the Crown Grill.

Tue, Mar 28 Santa Barbara, California (Tender) 7:00 am - 06:00 pm

"Welcome to Paradise," is a fitting expression for those visiting the coastal city of Santa Barbara. Called the American Riviera, Santa Barbara is a place where food, art, history, fashion, wine and sunshine mix to create a delightful and unique experience for the visitor. Charming Spanish and Moorish style buildings graced by brilliantly-colored bougainvillea, palm-lined beaches, a warm Mediterranean climate, charming sidewalk cafés and a pristine seaside setting are some of the aesthetic reasons for visiting Santa Barbara.

The "Queen of the Missions," Santa Barbara's Old Mission can be traced back to the 1700's when the mission was built to bring Christianity to the Chumash Indians. The Old Mission is now a California Historical Landmark and is one of the most popular attractions in the area.

Just outside of Santa Barbara, lies the Santa Ynez Valley which is home to numerous world-renowned wineries. The scenic beauty of the dramatic mountains, lush valleys and oak trees is only surpassed by the rich flavors of the wines produced in the area.

Wed, Mar 29 Los Angeles (Long Beach), California 7:00 am - 11:00 pm

As the gateway to sunny Southern California, you have a tremendous amount of entertaining choices. Get a behind-the-scenes look at the magic of movie-making or help save the planet with Optimus as he battles Decepticons on self-guided tours of Universal Studios. Marvel at the glitz of Hollywood with a drive along the famed Sunset Strip. Or explore vibrant Olvera Street, the 250-year-old birthplace of Los Angeles. And that's only the beginning! With so many exciting diversions, you may never want to return to your ship.

Thu, March 30 San Diego, California

8:00 am - 11:00 pm

Known as a place of infinite beauty, affectionate locals and endless sunshine, San Diego has become one of America's favorite cities. Located in the southwest corner of California, close to the border of Mexico, San Diego has a distinct cross-cultural feel, part sun-drenched Mediterranean atmosphere, part south-of-the-border zest and part quintessential California beach town.

The history of San Diego is rooted in its Spanish and Mexican past. San Diego was declared the capital of upper and lower Baja only four years after Mexico gained its independence in 1821. Less than thirty years later, the United States declared war on Mexico and within two years the Treaty of Guadalupe Hildalgo was signed creating the current borders between Mexico and the United States.

The city continues to prosper with a population exceeding one million. World-renowned attractions such as the San Diego Zoo, the Salk Institute, Sea World, La Jolla and the San Diego-Coronado Bay Bridge have created a strong tourism industry for the area. But undoubtedly what attracts visitors from around the world is the city's breathtaking natural beauty, superb coastline and near-perfect weather.

Fri, Mar 31

Ensenada, Mexico

8:00 am - 5:00 pm

Ensenada is located 70 miles south of the international border and only a 90-minute drive from San Diego. Visitors are drawn to Ensenada's warm Mediterranean climate, friendly atmosphere and easy access by land, air, and sea.

Ensenada has become Mexico's second most visited port of call for major cruise lines and pleasure boats.
